Mobile : 00 1 242 577 0098

The base is open from 08.00am to 05.00pm every day (time GMT - 5)

### *How to get here:*

International flights from main cities in Europe are available daily with a stopover in Nassau. Direct flights to Marsh Harbour are available from United States (Miami, Fort Lauderdale and West Palm Beach).

Between the airport and the base it is a 10 minutes ride by taxi. Dream Yacht can organize transfer, feel free to contact us for more details and price (transfer mandatory for an arrival after 5pm).

### *Facilities at the base:*

Sanitary facilities are available in the marina (3 showers and toilets, laundry service, swimming pool, barbecue area etc.). You will find also close to the marina: restaurants, pubs, food store, liquor store, etc. You have also a complimentary WIFI access in the marina, during your trip use the service of Bahamas WiMAX or most of the marina are equipped with WIFI access.

### *Provisioning:*

If you want, Dream Yacht can managed the provisioning for you: at your arrival all the provisioning will be waiting on board your yacht. You just have to fill and return the provisioning order list (for the food, beverages and alcohol) available on the website. Major food store are open daily up to 7pm except the Sunday 4pm.

### *Currency, credit card:*

Visa and MasterCard can be used in most places (don't forget to inform your bank of your travel to have your card unlock if necessary). You should take some cash with you as the cash point are not easily available during your cruise.

The local currency is the Bahamian dollar, the US dollar is also accepted. You can change your Euro, Pounds at the bank but it's not so easy. The Bahamian dollar is trade at parity with the US dollar.

### *Phone:*

Roaming is available in Bahamas, just check before your departure with your local mobile phone provider the activation of the international option and the price of the communication. You can also buy a local SIM card.

### *Weather forecast:*

The Cruisers Net broadcast weather forecast, tides, etc. every day on VHF channel 68 at 08.15am. Radio Abaco broadcast weather forecast every day at 06.00am at 06.00pm on 93.5 FM. Special announcement are broadcast in case of alerts or tropical storms on FM radio, VHF radio and on 13.10 KHZ at 08.10am,

### *Information:*

Space is quite limited on board, so plan to use soft luggage.

In case of medical emergency Government clinic are open day and night. Private Doctors are also available on call. At the sea, contact by VHF channel 16, BASRA (Bahamas Air Sea Rescue Association).
