USEFUL INFORMATION

Rangiroa is located at 350km north east of Tahiti. With a perimeter of 280km, it's the largest atoll of French Polynesia with 2,000 inhabitants. It's known for its two popular scuba diving passes at Tiputa and Avatoru and more than 500 beautiful islands spread across acres of coral reefs.

Available at Avatoru, 12km from the boarding pier: Doctor, small shops, ATM, bank, pharmacy and post office.

LOCAL CURRENCY: XPF and Euro

COUNTRY INFORMATION: Area code from abroad is: +689

INTERNET: Internet and cell phones work in the village and on the main island but not in the rest of the large Rangiroa atoll.

BAGGAGE TYPE: Please only take soft bags and not suitcases as they would be too cumbersome onboard.

HOW TO GET THERE?

ACCESS BY PLANE ONLY

You can take connecting flights from Tahiti, Bora Bora, Tikekau and Fakarava

TRANSFERS TO RANGIROA:

There are only a few taxis on this atoll and we strongly suggest to customers to book a transfer. We provide transfers to the boarding location from the airport and between all the hotels located on the airport islet located between Avatoru and Tiputa passes.

If you arrive with Air Tahiti early or leave late on the day of disembarkation, coffee and pastries will be offered by our provider Josephine Relais on the Tiputa pass. You can also pay to have lunch here and leave your luggage, before being transferred to the airport.

Information subject to change without notice.
