# AREA GUIDE

---

## LOCAL AREA INTRODUCTION

Sail from Skiathos Marina into the heart of the Sporades archipelago. There are 24 Sporades islands in the Aegean, close to the western mainland of Greece. The three most visited are the northern islands of Skiathos, Skopelos and Alonissos.

# DREAM YACHT CHARTER

The experienced sailor will enjoy Skiathos sailing, with its lively winds. The area is also known to offer up some of the best secluded sandy beaches including Lalaria, considered the most beautiful beach on Skiathos, and only accessible by boat. Koukounaries is another popular beach on Skiathos with a long sandy stretch framed by pine forests.

Discover your inner Abba fan and sing along to classics on Skopelos Island, the impressive setting for the film Mamma Mia! Hop between Skopelos Town and Glossa during your yacht charter in Skiathos, with its white houses winding into the hills, or swim at Panormos and Agios Ioannis.

To sail in Skiathos, you will need a sailing license that is recognized by the local port authorities, or you can hire a skipper.

## TOP THINGS TO DO IN SKIATHOS:

- 1. Sail to Lalaria Beach:** This spectacular beach surrounded by white rock formations can only be reached by boat, and is one of our top things to do in Skiathos. Visit here early in the day when it's at its most peaceful and you can hear the wild goats from the cliffs above.
- 2. Visit the setting of Mamma Mia! on Kastani Beach:** This beach on Skopelos was a shooting location for the film Mamma Mia! and is a much-visited tourist spot. Even with crowds, it's worth a visit for the music, beach bar and lush pine-tree backdrop.
- 3. See the views from Agios Nikolaos Church and Clock Tower:** Take an evening stroll and make your way to this clock tower for wonderful views over Skiathos Town. Wear suitable footwear and explore the town as you find the steps up to the tower.
- 4. Find gifts at the Blue House Art Gallery:** Offering an interesting mix of traditional and modern art, this small gallery in Skiathos Town is the perfect place to find locally-designed jewelry, paintings and gifts, and is a great thing to do in Skiathos.
- 5. Hike in Skopelos:** The island of Skopelos is a hiker's heaven with miles of winding paths crisscrossing the interior leading to monasteries and chapels. For some of the more challenging hikes and to learn more about local history, consider hiring a local guide.

### SAILING AREA

From Skiathos, make for Linaria on Skyros Island and enjoy the beach at Acherounes or dine at the tavernas while on your Skiathos sailing vacation. Find some peace at Molos with its long sandy beach. From here you can see the town of Skiros snaking up the imposing rock face.

Sail to Kira Panagia Island, after visiting the National Marine Park with its endangered monk seals. Plantis Bay is a natural harbor where you can moor. On the east coast, you can see the monastery, which is inhabited by a single monk, and is certainly worth a visit while sailing the Sporades Islands.

Patitiri is the main port on Alonnisos Island, where you can find cafes and restaurants. For relaxing sands, head to popular Chrisi Milia beach for a tree-lined rocky backdrop.

### WEATHER

### WIND SYSTEMS

The sailing conditions for Skiathos are livelier than the Ionian or Saronic.

# DREAM YACHT CHARTER

The wind systems in Skiathos include the meltemi, a strong NE wind, in July and August. Generally the winds are mild, average force 3-5 with ideal sailing conditions.
