### SKIPPER

#### » Captain Johnny

Born and raised on the Atlantic seaboard of the US, Capt. Johnny has always had a fascination with sailing, pirates, and all things nautical. His dream of sailing grew out of seeing his uncle skipper a boat for over 30 years in the Bahamas and Virgin Islands. Formerly, an entrepreneur, Capt. Johnny has now ventured into the deep blue unknown, traveling where the wind takes him and seeking new adventures on the horizon.

### CHEF / HOSTESS

#### » Daryl Hanna

Daryl was born in Ohio and raised in South Carolina. He moved to the Virgin Islands at the young age of 23 and has been a resident for almost 20 years now. Daryl made a full time career as a chef including his role as Executive Chef of Savant, a consistent top 10 restaurant in the Caribbean where many famous celebrities frequent and even the current POTUS loves to dine from time to time while on vacation with his family. ## Guest reviews

“

My family and I (ages 13 to 69) had the opportunity to sail with Captain Zach and Rachel.

It was smooth sailing, and they were all very attentive. We saw dolphins too!

There were plenty of food options for breakfast and lunch, and with the bright sunshine and fresh air, we were ready for it! The kids took advantage of the SUPs, and the kayaks. Life jackets on! We saw crabs, jellyfish, and numerous big birds. The crew was amazing!!! They even caught a crab for us to get an up close look at it :)

It was a definite 10/10, and I am so glad we were able to experience this.
