AREA GUIDE

LOCAL AREA INTRODUCTION

No other sailing vacation destination in the Mediterranean combines striking volcanic terrain, unbelievable wildlife and an enduring connection to Napoleon Bonaparte, quite like the French island of Corsica.

Sailing Corsica may get you closer to Napoleon's birthplace, now the Maison Bonaparte Museum, but this cultural bounty competes with the wonder of the UNESCO Scandola Nature Reserve.

In this protected reserve, endangered species are thriving. Red coral is recovering from overexploitation and growing in Corsica's protected, shallow waters. You can also see whale and dolphin sanctuaries, or hike in the mountains, as part of your Corsica vacation.

CURRENCY: Euro (EUR)

VOLTAGE: 220V

DIALING CODE: +33

INTERNET

The Wi-Fi in Corsica is good and most cities and towns in Corsica have Wi-Fi hotspots at bars, restaurants and hotels.

ENVIRONMENT

- Respect your surroundings and leave only footprints in the sand
- Respect regulations around marine reserves and private islands

REGULATIONS

There are many restrictions in the nature reserves, such as no fishing or diving. Please respect them.

DREAM YACHT

- Seasickness bands and tablets are good for novice sailors
- Earplugs and eyeshades are great for light sleepers
- Keep clothing light and remember you will be around water a lot! Don't forget several swimsuits, hat, sunglasses and an extra beach towel (even though towels are provided)
- When it comes to shoes, you're likely to be barefoot onboard so pack just one pair for going ashore and some water shoes for reefs
- Leave expensive jewelry, make-up and hair straighteners behind – it's time to relax!
