## WHAT TO PACK

---

- Soft luggage that you can fold away or roll up - hard suitcases are hard to fit in your cabin and there is nowhere to store them onboard
- Reef-friendly sunblock and sun cream
- Dry bags or zip lock bags to protect your money, cameras and mobiles
- Seasickness bands and tablets are good for novice sailors
- Earplugs and eyeshades are great for light sleepers
- Keep clothing light and remember you will be around water a lot! Don't forget several swimsuits, hat, sunglasses and an extra beach towel (even though towels are provided)
- When it comes to shoes, you're likely to be barefoot onboard so pack just one pair for going ashore and some water shoes for reefs
- Leave expensive jewelry, make-up and hair straighteners behind – it's time to relax!
