WETSUIT - SIZING REQUEST FORM

Wetsuits (protective suits) can be hired through the dive shop at the marina. They are 1mm thick neoprene full length suits. These can be worn year-round as they protect you from the sun, scrapes/cuts from coral and provide additional floatation and warmth in the winter months. **We strongly recommend these suits are worn throughout the year to protect against marine stingers.**

Pricing per suit: 5 nights - \$30 7 nights - \$35 10 nights - \$38

Should you wish to hire a wetsuit to use during your charter we require the following information to be provided prior to your charter commencing.
