AREA GUIDE

LOCAL AREA INTRODUCTION

The nation of Grenada is a chain of several islands including Grenada, Carriacou and Petite Martinique. It's also the gateway to the unspoiled cruising grounds of the Grenadines, which promises some of the best sailing anywhere in the Caribbean.

With a unique combination of French and English culture, exotic flowers and rare fruits, a rich history of storytelling and well-seasoned foods, it's no wonder Grenada is known as the "Island of Spice". The country gets its nickname because it is a leading producer of cinnamon, cloves, ginger, mace, allspice and nutmeg.

Beautiful beaches make up the coastline, including the 1.9 mile-long Grand Anse Beach in St. George Paris, which frequently appears in top 10 lists of the world's greatest beaches. The

marine life is spectacular here and you'll spot turtles, rays, dolphins and a spectrum of tropical fish during your Grenada yacht charter.

TOP THINGS TO DO IN GRENADA:

1. Dive or snorkel at the underwater sculpture park: Located in the shallow waters off Molinere Point, the Sculpture Park is one of Grenada's most popular snorkeling sites. The intriguing collection of figures was created by British sculptor Jason de Caires Taylor and serves as an artificial reef.
2. The House of Chocolate: Spend time in this unique and beautiful hand crafted mini-museum-boutique, chocolateries-cafe portraying the history of chocolate in the world and Grenada. You can find wonderful local organic chocolate.
3. Hike to Annandale Waterfalls: Just a 20-minute drive from St George's this stunning cascade is surrounded by a lush garden of colorful blooms and tropical foliage. The pool is perfect for light, relaxed swimming on your own or with your family.
4. Explore the Belmonte Estate: This working cocoa plantation offers guided tours that walk you through chocolate-making, local farming, and Grenadian traditions. Don't miss the chance to taste some of the island's finest organic chocolate.
5. Hike the Grand Etang Rainforest: Located in the heart of the island, Grand Etang National Park offers lush rainforest trails, scenic lookouts, and a chance to spot mona monkeys. Popular hikes include Mount Qua Qua Trail and Shoreline Trail.
6. Visit Concord Falls: One of Grenada's most accessible waterfalls, Concord Falls features a series of three cascades. The first is easily reached by car; hiking to the second and third offers a more adventurous route through lush terrain.
7. Shop at Market Square: Held most vibrantly on Saturdays in St George's, Market Square is the heartbeat of local life. Find spices, produce, handmade crafts, and a slice of real Grenadian culture.
8. Explore St. George's: One of our favorite things to do in Grenada is strolling through this harbor town, known as one of the most impressive cities in the Caribbean. The rainbow-colored buildings with red-tiled roofs house a number of unique shops, as well as outstanding restaurants.
9. Grand Anse Beach: The peaceful surroundings and soft white sand are quintessential Caribbean. Stop by for some lounge time during your Grenada yacht charter, so you can visit the locals and enjoy a refreshing cocktail.
