

PREFERENCE LIST BAREBOAT + CREW (Boat + crew)

To ensure that your charter yacht vacation is the best it can be, your crew need to know as much about your charter preferences as possible. Please complete the following sheet being as specific as you can.

You booked a boat on which we added a crew, according to your wishes : The boat can be booked without any crew and any option can be added (half or full-board option, consumables package, leisure equipment....)

Crew roles :

The skipper's role is to sail, handle the yacht, and ensure the passenger's safety at all time.

The hostess/ cook role is to prepare all meals and to clean all common spaces (saloon, galley/ kitchen, cockpit). Our crew are a wide variety of nationalities and move between our bases. They can be a female or a male.

They must be accommodated in a cabin with a head (shower/wc)

Consumables (gazole, fuel, water) :

You are responsible for returning the boat with full tanks at your expense.

Moorings, harbour and custom fees must be paid onboard.

Meals and Provisioning options:

Regarding meals onboard, with a crew (skipper and hostess/cook) there are 3 options depending on what you booked :

- . Full board : Includes 3 meals per day + soft drinks (no alcohol included)
- . Half-board : Includes breakfasts and one meal per day + soft drinks (no alcohol included)
- . No option : The provisioning of food and beverages must be arranged and paid locally. You are responsible for ensuring enough food is provided to include meals for the crew.

In the case of full and half board the hostess / cook will plan menus according to your preferences. Special requests and extra provisioning can be arranged at your expense (special requests, and extra quantities beyond our normal provisioning will be at your expense. Unused food and provisions will not be reimbursed. Wine, beer and Alcohol can be pre ordered using our provisioning service, or purchased locally at your expense.)
