

DREAM YACHT WORLDWIDE

Special Diet requirements *

At Dream Yacht Worldwide, we strive to provide the best service possible. Special diets add a level of complexity for our cooks to prepare great meals for up to 12 guests. There is also a challenge to find the right products in remote destinations where we operate, and substitutions often incur additional expenses. After a full review, we are able to cater for limited dietary requirements for a small charge.

Dietary alternatives available:

Medical Diet (Gluten-free _____ / Diabetic_____)

Cultural Diet (Vegetarian_____/ Vegan_____)

Pescatarian Diet (_____) (Fish may be frozen)

No Fish/ No Seafood Diet (_____)

****Food Allergies (_____)**

If a guest does not want or need to pay for 1 of the 5 above special diets, but has specific allergies, please inform us so the cook knows to remove concerned items for this guest. No alternative will be offered unless one of the above special diets is selected. A comment will be put in the booking by our team to make the cook aware of the allergy.

****Religious Diet**, due to the impossibility to find special certified products in remote destinations, we do not cater for religious types of diets & advise clients to choose instead a vegetarian or pescatarian diet to avoid issues."

Charges for alternative catering:

- 120 € for 1 week cat cabin cruise
- 170 € for 10 nights cat cabin cruise (Polynesia Dream & Dream Caribbean cruises)
- 85 € for 4 nights cat cabin cruise (Rangiroa Dream cruises)
- 75 € for 1 week Sail Share (only 1/2 board)

If you require a special diet, please indicate on the respective option confirming if 1 or 2 accommodations are required per cabin, and the extra charge will be added to the booking and invoice.

If the extra charge is not paid, we will not be able to serve any special meals or accommodate any dietary restrictions.

As cabin catering is pre-ordered, we ask that requirements be submitted at least two weeks before departure. Last minute requests may not be catered for.

Thank you for choosing Dream Yacht Worldwide. We look forward to providing you with an unforgettable experience.

*NB. As menus on cabin charters are pre-set, we are unable to cater for food preferences.
