AREA GUIDE

SAILING AREA

Begin your Naples yacht vacation from our base in Marina Sud Cantieri in Pozzuoli. The central location of our base makes it easy to explore the sights, sounds, smells and taste of Naples and its famous coastline.

Naples is known for its fascinating archaeology, immersive culture and delicious food, but this part of Italy offers something special when it comes to sailing.

The largest city in southern Italy, Naples has one of the world's largest historic centers and is famous for its UNESCO World Heritage status. A Naples yacht vacation means you can sail the Tyrrhenian Sea and island hop the Pontine Islands, Phlegraean Islands, Capri and the Amalfi coast.

From Sorrento to Positano and Ischia to Ponza, the historic coastline around Naples and its islands boast abundant nature reserves, mouth-watering Mediterranean cuisine and the living history of ancient civilizations.

TOP THINGS TO DO IN NAPLES:

1. Explore Procida's Chiaiolella Beach: Procida is a classic Italian fisherman's island that has been loved since the days of the Romans and Greeks. Corricella Bay is where you will find the pretty waterfront with colored houses and is a perfect place to spend a night at the anchor. Don't miss Procida's sunny Chiaiolella Beach with its shallow waters.
2. Enjoy the thermal activity on Ischia: Sail to Forio village on Ischia's north coast and spend the day exploring the city and swimming in Poseidon Thermal swimming pool. Head to Sant'Angelo on Ischia with its hot sandy beaches where you can see steam rising from volcanic activity. The medieval Aragonese Castle can be reached by a causeway and is also worth a stop.
3. Visit the Roman port on Ventotene: The Pontine Island of Ventotene is famous for its Roman port and stunning natural beauty. You can also sail to the museum island of Santo Stefano and visit its prison that closed more than 70 years ago.
4. Marvel at Capri's rock formations: Capri is known for its glamorous jet set crowd, but when it comes to things to do in Capri, some may find the Faraglioni rock formations more impressive. The three towering stacks jut out of water and one has an arch that you can kayak through. Locals have names for the stacks and they are home to wildlife.
5. See the wonder of the Amalfi coast: There is so much to see, from Praiano's beaches with its Furore Fiord complete with bridge that spans across the rocks for amazing views. Make sure you sail to Sorrento and watch the sunset from Terrazza dell'Infinito, or see the colorful stacked houses in the cliffs at Positano.
6. Spend two days on Ponza: Ponza's many bays, rocks and caves make this island a fantastic itinerary stop. In particular, you will want to spend time at Chiaia di Luna bay and Frontone. You'll need two days in Ponza to include time at the uninhabited island of Palmarola.

WEATHER

The best time to for Naples sailing charters is between spring and fall. The summer months are the warmest and also the most popular time to visit. Naples has a long sailing season and you might want to consider the low season and enjoy the warmer weather and fewer crowds.

- ✓ Dry bags or zip lock bags to protect your money, cameras and mobiles
- ✓ Seasickness bands and tablets are good for novice sailors
- ✓ Earplugs and eyeshades are great for light sleepers
- ✓ Keep clothing light and remember you will be around water a lot! Don't forget several swimsuits, hat, sunglasses and an extra beach towel (even though towels are provided)
- ✓ When it comes to shoes, you're likely to be barefoot onboard so pack just one pair for going ashore and some water shoes for reefs
- ✓ Leave expensive jewelry, make-up and hair straighteners behind – it's time to relax!
